*FOR RELEASE: March 15, 2011*

## **Page, Wilson named PAC SAAC Scholar-Athletes of the Month for March, 2011**

WEXFORD, Pa. – The Presidents' Athletic Conference (PAC) announced today that **Sarah Page (Colorado Springs, CO/Pine Creek H.S.)** of Grove City College and **Robert Wilson (Tipp City, OH/Tippecanoe H.S.)** of Thomas More College have been named Student-Athlete Advisory Committee (SAAC) Scholar-Athletes of the Month for March 2011.

Page is a senior student-athlete at Grove City and a member of the women's swimming and diving team. She has been a team captain for two years for the Grove City tanker, where she is a three-time All-American and holds GCC school records in four relay.

Out of the pool, Page is a chemistry major. She holds a 3.68 cumulative grade point average (GPA) and is a three-time Academic All-American. Page is also a member of the Grove City SAAC and is an ACS member. She is an honorary member of Omicron Delta Kappa and Kemikos Chemistry where she serves as the President.

Wilson is a senior student-athlete at Thomas More and a member of the men's basketball team. He is a four-year letter award winner. Wilson was a member of the Thomas More 2009 PAC Tournament Championship team and the Thomas More 2009 and 2010 PAC regular season championship teams.

Off the court, Wilson is a Business Administration major and holds a 3.65 cumulative GPA. He was involved on campus with a canned food drive.

Each month, SAAC members at a PAC school nominate a student-athlete to highlight based on academic and athletic accomplishments. Honorees must be a varsity member in their respective sport(s) and in their junior or senior year. Scholar-Athletes of the Month must have a cumulative GPA of 3.0 or higher and be actively involved on his or her campus community.

Founded in 1955, the Presidents' Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence. Consisting of 10 select private institutions in Pennsylvania, West Virginia, and Kentucky, the PAC remains a unique organization in this day of high pressure intercollegiate athletics. With academics at the center of each member's philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself. The PAC annually crowns champions in 19 sports (10 men, nine women).
